## CAREER TIPS

### Why Choose Career in Yoga?

- ✓ **A different career path than the usual ones:** Choosing Yoga as a career will nurture your body and soul with peace and harmony.
- ✓ **A good pay scale:** Yoga gurus enjoy great remuneration for their services and in the initial stages, they sometimes earn more than their peers as the niche of Yoga is very demanding and great Yoga gurus are quite hard to find these days.
- ✓ **Become self-aware:** Yoga has the power to make you self-aware and keep you away from many evils such as – hatred, greed, ego, and anger.
- ✓ **Travel the world:** With yoga you will have the opportunity to travel the whole world as great Yoga gurus and teachers are always welcomed with open arms and hearts everywhere. Countries such as USA, UK, France, Germany, and Italy are always in lookout for a great yoga guru or teacher.
- ✓ **Overcome physical challenges**

### Career Scope of Yoga

You will be definitely happy to know that Yoga has an immense scope in India as well as abroad. The present times has shown us that besides great engineers, doctors, lawyers, and scientists the world also demands top-notch and best-in-class Yoga gurus, teachers, and professionals who can revolutionize the world with their vision and efforts so that everyone can coexist in harmony. If an aspiring student has an interest in Yoga and they are ready to embark on a successful career in

this domain then believe us, Yoga can do magic for them.

Also, any course or degree in Yoga has a huge demand in the western countries such as USA. You might be enthralled to know that various students from the USA and Germany are visiting India to learn the basics and intricate knowledge of Yoga. If you wish, an aspiring student can even pursue higher degrees in Yoga from foreign countries and start working there for a better future. The career in Yoga is very rewarding and if done in a proper way, a candidate is sure to make a great name for themselves and make their friends and family members proud in the process!

### How to Start Career in Yoga?

In the initial time and after pursuing a degree in Yoga, you can start as a Yoga teacher or instructor. Once you have enough experience you can become a senior yoga teacher or even a Yoga guru. Remember, to become a successful yoga instructor, you must have a postgraduate or a diploma in the niche of Yoga. The diploma, PG diploma, or any degree courses are always offered by the private or a government college/university in India and around the globe.

Great news for all yoga professionals is that they get employed by world-renowned resorts, gyms, health centers, and educational institutions and earn better than their contemporaries. But, nowadays, not only the aforementioned industries but also large enterprises and renowned professionals are hiring good and famed yoga teachers while a lot of yoga instructors are choosing to opt for a flexible schedule as an entrepreneur or a self-employed professional.

# Eligibility Criteria & Courses

## Certificate Course

**Certificate Course in Yoga (CCY)** – It is a one-and-a-half-month programme that requires completion of the HSC. This course has no age restrictions.

## Bachelor Course

- **Bachelor in Arts (Yoga Philosophy)** – This programme will last three years, and applicants must have completed their 10+2 in any subject with a minimum of 45 per cent.
- **UG. Diploma in Yoga Education** – It is a one-year programme with a six-month internship that is open to graduates from any field who have a certificate in Yoga.

## Master Course

- **PG. Diploma in Yoga Therapy** – It is a one-year course with graduation requirements from any recognised university in any stream.
- **Master of Arts in Yoga** – It is a two-year programme that requires a minimum of a high school diploma in any field.

## Other Course

- **Advanced Yoga Teachers' Training Course in Yoga (AYTTC)** – A certificate, diploma, or degree in yoga, as well as two years of yoga teaching experience, is required for this one-month course.

## Career in Yoga Specialization
